MARGO KELLETT - Proprietor of Minko Wines & ceramicist

LUCINDA PETERS

Minko is a boutique, family run winery producing premium cool climate wines on the Fleurieu Peninsula. Minko proudly practices eco sustainable viticulture with an ethos of caring for the environment and is in conversion biodynamic. 66 hectares of heritage listed native bushland and their associated wetlands are valued features of our property. The glacial sands over ironstone and the cool maritime climate of Mt. Compass on the Fleurieu Peninsula both contribute to the unique flavour of the wine. Minko cellar door is conveniently located in the main street of Willunga .
