Miss K in...

Hot Spell

A vixen in the sun

The mercury is rising and Miss K is searching for reason.
Is it The Greenhouse Effect, the apocalypse or merely the heat radiating from her undies?
As the city hits boiling point only one thing is certain: heads will roll.....but who's?

Sassy, sexy, and semi insane

FRIDAY 12TH
MARCH @ 7PM
2 course dinner & live
entertainment for \$45 per head

The mercury is rising and Miss K is searching for reason. Is it the Greenhouse Effect, the Apocalypse or merely the heat radiating from her knickers? As the city hits boiling point it's impossible to stay sane. The only thing that's certain is that heads will roll.....but whose?
