

WEDDINGS BIRTHDAYS PRIVATE FUNCTIONS

Set in the ambience of vines & natural bushland, the perfect setting for a wedding or a private function. Red Poles has a fully licensed restaurant, art gallery & 3 B&B rooms set in a vineyard with expansive green lawns flowing into natural bushland. Set back from the road one remains unaware of the suburbia beyond its boundaries. There are many picturesque spots to hold your wedding eg. under the large peppercorn tree in a curved section of the garden or take a wander & make your own selection.

Rain hail or shine Red Poles can accommodate your function. Shady umbrellas on the lawns & wide airy verandahs are perfect on a sunny day whilst plastic blinds, outdoor heaters & a cozy fire prevent any inclement weather becoming a problem. The maximum no. of people for a seated meal on the verandahs would be 85. A finger food menu can cater for up to 140 people.

The gallery space can also provide a more intimate function space for seating up to 80 people. You can have sole use of Red Poles premises or a particular area can be set aside for your private use during normal trading hours. There are menus available for larger groups during normal trading hours & there is a function menu for sole use of the premises during the day or evening. There is live music every Sunday afternoon.

The 3 B&B rooms are also available & can accommodate up to 10 people. All rooms include a continental breakfast & a bottle of wine from \$115 per double per night.
