Situated in the middle of a vineyard & on the tourist drive, Red Poles is the ideal location to spend a casual lunch, a lazy afternoon or a short holiday. Private functions are welcome & the ambient surroundings provide the perfect setting for a wedding.

Red Poles also participates in regional events & festivals.

Chef Nat Wilson presents seasonal menus focusing on local produce accompanied by an extensive wine list from the McLaren Vale region. Special needs are met with a wide choice of vegetarian options. Parties of 15 or more can have the option of a group menu.

Weddings/private functions are popular. Offering the ambience of the vineyards & natural bushland for the service & reception, the B&B provides the bonus of accommodation. Rain, hail or shine Red Poles can accommodate your function. Shady umbrellas on the lawns & wide verandas are perfect on a sunny day whilst blinds, outdoor heaters & a cozy fire prevent any inclement weather becoming a problem. We cater from 25–120 people, with a variety of menu options. Table settings include linen table clothes & pillar candles whether it is a cocktail or seated function. A marquee on the lawns can be arranged.

The art gallery features a new exhibition every 6 weeks & is booked a year in advance. The gallery has a fine reputation within the Australian art-world. Red Poles stable of artists has grown to over 300 displaying their work.

There are three B&B rooms located around a small courtyard with a water feature & overlooking the vineyards - ideal for an overnight stay or linger longer & explore the region. Rooms include a continental breakfast each morning & a bottle of wine. Within 2 km are several wineries - Wirra Wirra, Hugh Hamilton, Primo Estate, Vale Ale & around the corner is Pertaringa. You can walk, bike or drive.

Enjoy the McMurtrie Mile Experience & collect a set of Reidel wine glasses with your McMurtrie Mile Card.

Red Poles has brought live entertainment to the region in various formats. Live music is a regular feature every Sunday & cabarets continue the merging of visual & performing arts with fine food & wine - as these nights include a 3 course dinner & the show. During summer there are twilight cinema nights on the lawns & theatre performances have become popular. Touring groups are welcome & bring another dimension to the Fleurieu region. Local artists are encouraged & supported.

Wine/Art/Workshop tours are available for individuals, private groups & corporate functions. Patrons may choose a variety of cellar doors in the morning followed by a 3 course lunch at Red Poles & then an afternoon visiting art galleries/studios or creating their own masterpiece in a workshop at Red Poles. Red Poles also has a cellar door featuring a range of Brick Kiln Wines.

Owner Ros Miller & her vibrant & friendly team invite you to share their exciting space. Regular workshops in many mediums encourage you to tap into your artistic side. There are weekly & weekend art workshops for adults & children & cover many mediums including watercolour, life drawing & mixed media. School holiday programs keeps children entertained as well as learning new skills.

Discover this new venture down south for yourselves. Sip a good wine, savour the delights from the chef’s kitchen, & relax in the ambience of a sunny afternoon amongst the vines or the warmth of the fire on a wintry day.
