

## DI LAMONT PAINTING WORKSHOP

**Saturday and Sunday July 27 and 28, 2024 10am to 3pm**

Welcome to a 2 Day Workshop with a focus on painting transparent glass from life & the benefits of a limited colour palette.

Complete a painting & share lots of tips & tricks.

This workshop is suitable for those who have some painting experience.

Saturday morning you will be greeted & we will all get to know each other over morning tea.

A Still Life will be set up for you. We will settle into the sketching process on paper - don't worry if you think you can't draw - always some fun with this step. Discuss & prepare painting surface & different ways to transfer your design on canvas ready to paint.

Discover the benefits of a limited palette, the surprising colour mixes & more while working on a chart to refer back to & keep in your painting kit.

Learn about different paints, your equipment & best practice for oils & acrylic paints.

Sunday you will work to complete your painting with personal guidance.

There will be lots of tips along the way & questions answered.
